You can claim back 100% of the money you spend straight away, up to the maximum allowance provided by your cover.

Enjoy even more cover.

Your employer or your partner's employer may have chosen to provide an option for you to purchase additional cover. Your welcome letter or email tells you if this option is available to you.

If so, for just a little extra, you can choose to upgrade your corporate paid cover and/or arrange separate cover for one additional adult. Details of premiums and how to apply for additional cover are detailed in your welcome letter or email (if this option has been chosen for you).

Customer Testimonial

"I have used Westfield Health for the last 20 years across a variety of physio, chiropractic and other medical issues without any problems whatsoever. They are extremely competent and always a pleasure to deal with."

Diagnosis and peace of mind.

We want you to stay at your fit and healthy best and, to help you do that, we've included all kinds of additional benefits. As well as providing cash towards diagnostic consultations, your cover includes access to a 24 hour DoctorLine service, because we know that illness doesn't just strike during surgery hours.

On Levels 2, 3 and 4 you'll also have access to a Scanning Service and Expert Medical Opinion, which can give you an independent and confidential second medical opinion if you need it.

With the Scanning Service, we will arrange your scan for you, usually within 2 weeks, so you don't have to worry about the wait or the cost.

Health and wellbeing.

Your cover has been designed to help keep you in the best possible shape, physically and mentally. So our 24 Hour Advice and Information Line is a reassuring aspect of your cover as it gives you help, support and advice by phone – day or night. Your cover also includes Gym Discounts providing discounted membership at local gyms, so you can actively start improving your health right away.

Working harder for you.

As you start to use your health cover, the advantages really add up. It works harder for you by providing excellent cash payouts and money back for treatment – and this is just part of your cover. It also provides access to valuable services to help keep you at your fit and healthy best.

MRI, CT and PET Scanning Service.

For policyholders on levels 2-5. In order to access this facility you will first need to see your Consultant to gain a referral for a scan. Once you have this referral please contact the Scanning Helpline on **0345 345 4556**, available Monday to Friday, 8.30am to 5.30pm.

Helpline staff will explain the process for booking your scan and will require written confirmation from your Consultant before arranging your scan for you. Only scans arranged through the Scanning Helpline will be covered.

DoctorLine.

From anywhere in the world, 24 hours a day, you can pick up the phone and arrange a call back from a practising UK GP, to discuss any health issues and receive advice or a diagnosis. You can even choose to have a webcam consultation so you can see and speak to a doctor while you're at home or at work. It's the closest thing to a surgery appointment, but without the wait. Over 70% of DoctorLine consultations result in the patient being recommended a course of action, without the need for referral to another medical professional.

If the doctor believes that your treatment requires medication, they can offer you a private prescription. You can choose for the medicine to be sent directly to you at an address of your choice or a local pharmacy, or you could be sent a digitally secure electronic prescription to show at a nominated local pharmacy.

Prescriptions can be raised for one-off occasions such as prescription-only painkillers/inflammatory drugs, digestive medication, or NHS prescription medication where the patient is away from home and has forgotten or has insufficient prescription medication, antibiotics or hormonal medication.

Expert Medical Opinion.

Available on Levels 2, 3 and 4. If you, your partner or your dependent child are diagnosed with a serious or worrying medical condition, you can use Best Doctors, the expert second medical opinion service, to request an alternative assessment from a world leading medical specialist. The end result will be a report from an expert that can be shared with your treating physician to determine the most effective treatment.

24 Hour Advice and Information Line.

It's good to talk. Whatever the issue, support and advice is just a phone call away. This freephone telephone service gives you, your partner and your children (aged 16-24 in full time education) access to confidential guidance on medical, legal or domestic issues from experienced counsellors, legal advisors and nurses. From stress, bereavement or relationship advice to health and money worries, you'll be able to talk to a qualified expert any time day or night. Your cover also provides access to up to 6 sessions of structured counselling for the policyholder, the telephone counsellor will arrange the sessions if clinically appropriate.

You also have access to a progressive app – Wisdom; an online dedicated resource, designed to support your health and wellbeing. It provides you with tailored resources, tools and learning materials - wellbeing fact sheets, videos, self-help programmes, mood trackers, mini health checks, interactive tools and educational resources to help with life's challenges.

Your cover: a few useful pointers

Here's a little helpful guidance to help you make the most of your cover. Please feel free to contact us if there's anything else you need to know.

Making the most of your benefit periods.

Your money back benefits have a one year benefit period, which starts on your company's anniversary date.

You can keep sending in claims for a benefit until you reach the maximum allowance for that benefit.

Your maximum benefit allowances will renew on your company's renewal date every year, but remember, any unused balance will not be carried forward from one year to the next.

You have 26 weeks to make a claim.

Please submit your claim within 26 weeks. Those 26 weeks start from the date you make each payment for treatment, goods or services.

Make sure you use a qualified practitioner.

One simple rule. Your practitioner must be registered with, or a member of an approved professional organisation. Just click on the 'Find an approved practitioner' link on the **My Westfield** area of our website or refer to the Benefit Rules and Definitions sections of this guide to locate the required qualifications for each practitioner.

Did you know you're covered for emergencies worldwide?

You can even use some of your cover for emergencies when abroad. For example, if you damage your glasses whilst overseas, you can still claim towards the optician's costs, up to the limits of your plan. We ask that all relevant documentation relating to your claim is in English.

Get your claims paid directly into your bank account.

Direct Credit is the easiest and fastest way to reclaim your payments. We recommend that you register for a My Westfield account at westfieldhealth.com where you can add your bank details. Alternatively, you can contact us on **0114 250 2000** to set this up.

Our DoctorLine service is provided by an experienced external provider. DoctorLine is a registered trademark of Westfield Health.

You and **your partner** can call DoctorLine from anywhere in the world, 24/7. An experienced healthcare operator will take your details and arrange a call back with a **GP** at a time that suits you. During surgery hours you can choose to have a virtual consultation, if you've access to a webcam and broadband. **You** and **your partner** can call on behalf of **dependent children** under the age of 18.

It's reassuring to know that your consultation will be with a qualified practising **GP**, who'll give you advice and in most cases a diagnosis. You can discuss anything that you'd usually ask your own **GP** about, from common ailments to sensitive or confidential concerns. You might want to talk about travel inoculations, side effects from your medication, or a health story you've seen in the news. DoctorLine is the closest thing to a surgery appointment, but without the wait.

If you need to consult with a medical professional regarding a long-term medical condition including managing your symptoms and medication, then you have the option to speak to an experienced Clinical Pharmacist. They can support you with a wide range of medication queries including:

- Reviewing your medication if you have multiple prescriptions; you may have been given new medications separately and require an expert Clinical Pharmacist to ensure your medications are working effectively
- Reassuring you that you are taking your medication correctly
- Side effects from existing medication
- Over the counter medication that works with your existing medication
- Alternative medication options

Private Prescription service

If the DoctorLine **GP** thinks that prescription medicine would be appropriate, you may choose from the following options:

- The DoctorLine **GP** may offer to send a private prescription electronically to a registered online pharmacy service from where the medication will be sent directly to you. When the prescription is issued before 4pm during weekdays, it is usually delivered the next working day. They will not charge you for processing your prescription, but you will be charged for the cost of the medication and delivery. The online pharmacy service will call you to take your payment by credit card or debit card. Simply confirm your payment details and delivery address and they'll arrange delivery of the medication to your home or place of work
- You can also collect your medication from a nominated local pharmacy. The DoctorLine **GP** will send your prescription directly to the pharmacy and you will be contacted when your medication is ready to be collected
- You may be offered a digitally secure electronic prescription to present at a nominated local pharmacy. An email will be sent to you with your prescription and instructions on how to collect your medication. You must present this to your nominated pharmacy at collection. This service is unable to prescribe any controlled medications outside of the **UK** electronically

How do I ask for a scan?

Our scanning service is not a cash benefit: **you** must follow these simple steps so that the scanning team can arrange **your** scan.

Step 1

Alliance can only accept a referral from a consultant therefore, **you'll** need to see a consultant so that they can decide whether **you** need a scan.

Alliance Medical can only arrange the scan once they have all the necessary details from the referring consultant. **Your** consultant can send the scanning team a referral letter. To avoid any delays the letter must include all of these:

- The consultant's General Medical Council registration number
- The consultant's full address so that Alliance Medical can send them **your** scan images and report
- **Your** name, address and date of birth
- **Your** Westfield Health account number
- All **your** relevant clinical history
- Full details of the scan that **you** need
- Details of where the consultant would like the images and report to be sent via IEP (Image Exchange Portal).

If your consultant would prefer to have a form to complete Alliance Medical will be happy to send **you** one. A copy is on **your** My Westfield account. The consultant must sign the form or referral letter.

Step 2

Contact the Scanning Helpline, once **you** have the consultant's referral, on **0345 345 4556** 8.30am-5.30pm, Monday to Friday except public holidays. **You'll** need **your** Westfield Health policy number. The scanning team will explain how the scanning service works.

Step 3

Your consultant's referral must be sent to Alliance Medical by email nawestfield@alliance.co.uk (to ensure that a valid practitioner has made the request, referrals by email must be sent from the consultant's business email address).

Step 4

When the scanning team receive the request form (or referral letter) from **your** consultant they check it to make sure that they've all the information they need to book an appointment for **you** at one of their scanning sites. Sometimes they need to contact **you** or **your** consultant for more details.

Next, they'll give **you** a call and ask **you** some questions to make sure it's safe for **you** to have the scan. They'll also discuss the location and date of **your** appointment. **You'll** usually be able to have **your** scan within two weeks of Alliance Medical receiving a complete and valid referral from **your** consultant.

The scanning site will contact **you** to book your scan in. Once the scan has been arranged, they will send **you** confirmation of the date, directions to the location and a full safety questionnaire for **you** to complete and take with **you** on the day of **your** appointment. **You'll** attend the site for the scan.

Your scan images and report

- The images from **your** MRI or CT scan will be reviewed by a radiologist appointed by Alliance Medical. PET scans are reviewed by a nuclear medicine consultant
- The report and images are sent directly to referring consultant via image exchange portal (IEP). This is, usually within 10 working days of **your** scan appointment.
- Before you make any follow up appointment with your consultant, please check that they've received the report. Let the scanning team know if you, or your consultant, need any further help.

General Terms and Conditions

Where words or phrases appear in **bold type**, they have the special meaning for the purposes of the **plan** as detailed in the Definitions section.

If there is anything about these general terms and conditions that you don't understand please contact our Customer Care Team on 0114 250 2000 and we will be happy to help.

1. Who can have cover

This **plan** is not available to purchase directly from Westfield Health, it is primarily available on a corporate paid basis. Eligible employees will be provided with one level of the plan, the cost of which is met by **your** employer.

The employer has chosen this **plan** from the range of products offered by Westfield Health. If the employer decides to change the cover available to **you** we will notify **you** as soon as reasonably practicable. **Your** cover will cease if the agreement between the employer and Westfield Health comes to an end. If the employer decides not to renew the plan we will try to offer all policyholders an alternative Westfield Health plan, however this may not be on the same terms as **your** current cover.

We, like any responsible insurer, and to the extent permitted by all applicable laws, reserve the right to decline an application for a policy or a request to upgrade your cover. If **your** application is not accepted **we** will refund any premium that **you** have paid for the cover that we have declined to offer (providing that **we** have not paid a claim under that cover).

You must reside in the **United Kingdom** for a minimum of six months each year to be a Foresight Health Cash Plan **policyholder**.

We do not accept professional sports people for cover on the plan.

Corporate Paid Cover

If you are eligible, your employer will pay premiums for you on one level of the plan. There is no restriction regarding the age of an eligible

employee taking out the cover provided by their employer.

You do not need a medical to be accepted as a **policyholder**. **We** will cover **you** and, where cover is provided for them, any **dependent children** on **your** policy for **pre-existing medical conditions**, subject to the terms and conditions and benefit rules of the **plan**.

Employee Upgrade Options and Additional Adult Cover

Details of the premiums will be included in the employee's Welcome Pack. This includes confirmation how payments can be made, which method the employer has chosen. Employees who are eligible for an upgrade option can pay an additional premium to upgrade **your** corporate paid **plan** level.

An **additional adult** who is eligible for cover can apply for a policy on any of the levels of cover offered. An **additional adult** choosing to have cover will hold a separate policy. There can only be one **additional adult** policy for each corporate paid policy.

The opportunity to upgrade **your** cover, or for an **additional adult** to apply, is only in the month after the **plan** anniversary date. The **plan** anniversary date is the date the **benefit period** starts each year, this is detailed in **your** welcome letter. If your plan is operating on a flexible benefit platform these same restrictions apply in **your** qualifying lifestyle events.

An employee's **additional adult** cannot hold a policy on this plan if the employee is not currently in receipt of corporate paid cover: it is a condition of **your** **additional adult** cover that **you** notify **us** immediately if for any reason **you** are no longer eligible. Please also refer to section 4, Premiums – Change of employer or retirement.

You must satisfy **yourself** that this **plan** and the level of cover that **you** decide to apply for are right for **you**. **We** will not provide any advice in this regard but **you** are of course free to seek information or advice from a professional advisor.

You must be aged 16 to 65 when **you** apply for an employee upgrade option or apply to transfer to a higher **plan** level. **You** must be aged 18 to 65 when **you** apply for an **additional adult** cover policy or apply to transfer to a higher **plan** level.

However, **you** are not required to give up an existing policy once **you** become 66 and can transfer to a lower **plan**

level at any age.

Pre-existing medical conditions will be covered.

- if **you** are receiving corporate paid cover
- if **you** upgrade **your** plan level
- if **you** are an **additional adult** policyholder
- including any **dependent children** covered on **your** policy

The exception to this is for Dental Accident, see Dental Accident benefit rule.

2. The contract between Westfield Health and You

Cooling Off Period – If you change your mind

If **you** apply for an upgrade option or **additional adult** cover **your** policy contains a 14-day cooling off period from the date **we** accept **your** application. If **you** decide to change **your** mind during this cooling off period the **policyholder** should contact **us**. Providing that **you** have not made, or intend to make a claim, **we** will refund the full premium paid by **you**.

Corporate Paid Cover

For eligible employees cover will only continue to be provided, at the corporate paid level, on condition that **your** employer continues to pay the premiums for **your** cover to Westfield Health.

Employee Upgrade Options and Additional Adult Cover – by all methods

For employees who have chosen an upgrade option and **additional adults** who take out cover on the **plan**, **your** health cash **plan** policy operates on the basis that each calendar month a new contract is formed between Westfield Health and **you**. **We** do not issue monthly reminder notices. The cover that **you** are paying for **yourself** will be automatically renewed each month providing **you** pay **your** premium and abide by the terms and conditions of the **plan**, unless **we** receive notice from **you** that **you** do not wish to continue **your** cover, or we give **you** notice that **we** are not willing to accept **your** monthly renewal.

Your Cancellation Rights – Employee Upgrade Options and Additional Adult Cover

Employees have the right to cancel an upgrade option and **additional adults** with cover have the right to cancel their policy.

If **we** receive notice that **you** wish to

cancel before the 15th day in any month we will cancel your monthly contract for that month and refund the premium paid by you for that month. If we receive notice of cancellation on or after the 15th day of the month, then we will not refund your premium for that month but any further premiums will not be payable. Any premium that you have paid, in advance or that is not due following cancellation, will be refunded to you. We will not pay a claim for any benefit beyond the date that you have paid up to.

To cancel your policy please contact our Customer Care Team on 0114 250 2000, email us enquiries@westfieldhealth.com or write to us at Westfield Health, PO Box 340, Sheffield S98 1XB. If your policy is through a flexible benefit platform the cancellation will be through the flex platform and it will follow the rules of that platform.

It is your responsibility to inform your employer, bank or building society to stop deducting premium payments from your salary, pension or bank/building society account.

Re-applying for cover after you have cancelled

Previous claims may be taken into account when we assess your entitlement to benefit on your new policy.

Terminating your cover – All Policyholders

We reserve the right to cancel your cover at any time, (with retrospective effect where appropriate), if:

- Under the terms and conditions of the plan you are not eligible for cover
- You provided false information and/or failed to disclose all the relevant required information when you applied for cover, applied to increase your plan level, or submitted a claim
- You, or anyone covered on your policy, fails to comply with our request for information relating to a claim or an application for cover
- You submit a claim that is fraudulent or that we reasonably believe to be intentionally false, and/or misleading, and/or exaggerated
- You (or anyone covered on your policy) act in a threatening or abusive manner, e.g. violent behaviour; verbal abuse; sexual or racial harassment, towards a member of our organisation, or one of our suppliers

- You fail to abide by any of the terms and conditions of this plan

Should we cancel your cover you will not have any right to make any further claim on the plan. In addition, we may also seek to recover any monies from you that have been paid to you that you were not due to under the Terms and Conditions of this plan.

If premiums for your cover have been paid in advance we may refund premiums paid beyond the date for which you have had the benefit of cover. However, we retain the right to withhold such premiums if you owe us money.

We will notify you in writing our reason for cancelling your cover and you have the right to appeal to us through our published Complaints Procedure, which is available on request and on the Westfield Health website <https://www.westfieldhealth.com/about-us/trust>.

If your policy is terminated we will not accept you for cover with us again on any plan.

3. Premiums

Corporate Paid Cover

Your cover will continue on condition that the premium due each month is paid and you abide by the terms and conditions of the plan.

You will not be entitled to use any of the services included in the plan and we will not pay your claim if premiums have not been paid to cover the date(s) for which you are claiming.

If when we receive your claim your employer has not paid the premiums for your cover for any reason, we will not process your claim at that time. If you remain in the plan, claims will be held until a payment is made to cover the dates for which you are claiming.

If you leave your employment, or lose entitlement to corporate paid cover, we will not pay you any benefit, and you will not be entitled to use any of the services included in the plan, beyond the date that your premiums are paid up to.

Employee Upgrade Options and Additional Adult Cover

Your employer also decides whether these premiums are payable by monthly Direct Debit to Westfield Health or whether premiums will be collected by payroll deduction from the employee's wages/salary and whether the selection is through a flexible benefit platform. The payment method will be confirmed in your

welcome pack – direct debit, payroll or flexible benefit platform. You will not be entitled to use any of the services included in the plan and we will not pay your claim if premiums have not been paid to cover the date(s) for which you are claiming. If when we receive your claim the premiums are not paid up to date for any reason, we will not process your claim at that time.

Direct Debit

When you take out a policy, or upgrade your cover, we will notify you when your first payment will be collected. To bring your premiums up to date, it may be necessary to take payment for 2 or more months' premiums at the first collection. We will not process any claims until we have received a payment that covers the date for which you are claiming.

Payroll deduction

We implement stringent credit control procedures for employers operating payroll deduction facilities, however it ultimately remains your responsibility to ensure that premiums for your employee upgrade option or additional adult cover policy are remitted to us.

Flexible benefit platform

We operate stringent credit control procedures; however, it ultimately remains the responsibility of the eligible employee's employer to ensure that premiums are remitted to us.

For more information please refer to section 7, How to Claim.

Your employee upgrade option or additional adult cover policy will lapse if you do not keep your premiums up to date. Employees' upgraded level of cover will cease and your cover will revert to the corporate paid level when your upgrade premiums are more than three months in arrears.

Additional adults with a policy will cease to be policyholders when their premiums are more than three months in arrears.

If when we receive your claim the premiums that you pay yourself are not paid up to date for any reason, we will not process your claim at that time. If you remain in the plan, claims will be held until a payment is made to cover the date(s) for which you are claiming.

If you do not continue to pay your premiums for an upgrade option benefits will cease at the higher plan level, on the date that you have paid up to.

All benefit will cease on the date you are paid up to, if your premiums for cover as an additional adult of an eligible employee are not paid.

If the employer's payment is in arrears and they fail to bring their corporate paid premiums up to date, your employee upgrade option or additional adult cover policy will cease: we will notify you of the date that your policy ends.

Premiums include Insurance Premium Tax at the current rate and are subject to review in respect of any changes in taxation.

Change of employer or retirement

An employee's additional adult cannot hold a policy on this plan if the employee is not currently in receipt of corporate paid cover: it is a condition of your additional adult cover that you notify us immediately if for any reason you are no longer eligible.

When an employee retires or leaves their employment they should ask their employer to notify Westfield Health and each policyholder should contact us immediately.

Policyholders who wish to continue to have cover with us must transfer to an alternative plan and our Customer Care Team will be happy to arrange this for you.

4. Qualifying Period and Benefit Availability

You don't have to complete a qualifying period before you and your dependent children can use the plan. All benefits are available from your date of registration at that plan level.

Changes to your level of cover

If your level of cover is reduced during a benefit period, we will pay benefits at the lower plan level from the registration date of the transfer, if you

have benefit available. Benefits paid at the higher plan level will be taken into account when assessing your entitlement to benefit at the lower level.

Former Policyholders

In addition to the above, if you were previously covered on the plan and your policy lapsed or was cancelled, we may take into account claims paid under your previous cover when assessing entitlement to benefit on your new policy. This will depend upon:

- a) the plan level for your new policy
- b) the level of the plan you were previously covered on
- c) the date your new policy commences
- d) the start date of the benefit period

Our Customer Care Team can explain the benefit entitlement that will apply to you, following a lapse in your cover.

The benefit period will start on the same date each year and applies to all policyholders whose cover is paid by or through each specific employer. The benefit period that applies to your cover is detailed in your welcome letter.

If **your** cover commences during a **benefit period** you can claim up to the full benefit allowances during the remainder of the **benefit period**

During each **benefit period** you can submit more than one claim under each benefit, however **we** will not pay more than the maximum allowance for **your** level of cover. Any unused benefit will not be carried forward from one **benefit period** to the next.

You must have benefit available for the date(s) on which **you** pay for treatment, goods or services.

The date of **your** payment also determines the **benefit period** that each claim falls into.

7. How to claim

For **our** fastest service, **you** can submit claims for all benefits on **our** My Westfield mobile app (available on Apple & Android), or online at www.westfieldhealth.com/my-westfield. Alternatively, **you** can use a Health Cash Plan claim form, which is available on your My Westfield account or contact us for a paper claim form. - the date on which you made each payment for treatment, goods or services
- the date of **your** scan for MRI, CT and PET scans

The receipt must detail the date(s) **you** received the treatment, goods or service and **we** must receive **your** claim within 26 weeks of the payment date – see below

*The only exception to this is when **you** provide **us** with written evidence that you have entered into a payment arrangement/credit agreement for treatment, goods or services that **you** have received. The date that **you** pay the first instalment determines the **benefit period** that **your** claim falls into and **we** will pay **you** up to the benefit balance available on that date ONLY towards the full cost of the treatment, goods or service purchased by the credit agreement.

We do not cover administration/ interest charges. Dental insurance or care scheme premiums/payments are not covered on the **plan**.

If **you** are claiming from another insurer **we** will pay **our** proportionate share of the cost, subject to benefit being available and the terms and conditions of **your** plan.

You should only submit a claim if

the person who has received the treatment, goods or service is eligible to claim under that specific benefit. If the claim is for **your dependent child** **we** may require proof of **your** relationship with them. It is **your** responsibility to provide complete and accurate information with the claim. When **you** submit a claim, for audit purposes **we** will carry out checks on the information **you** and practitioners provide to **us** and **we** will not process that claim, or any further claims on **your** policy, until **we** have successfully completed our audit checks. If **we** make a reasonable request for additional information, this must be provided at **your** own expense.

In order for **us** to verify a claim it may be necessary for **us** to request a medical report from your GP, Consultant Physician or Consultant Surgeon at any time. **We** will only request a report when it is reasonably necessary in accordance with the Access to Medical Reports Act 1988 and Personal Files and Medical Reports (Northern Ireland) Order 1991, if a medical report is required **we** will write to **you** first to tell **you** why. If **you**, or where applicable **your** dependent child, do not give **us** **your** consent **we** will withhold payment of all claims and may terminate **your** policy.

If **we** discover that **we** have paid any claims relating to a **pre-existing medical condition** **we** will seek to recover any monies from **you** that have been paid to **you** that **you** were not due to under the terms and conditions of the **plan**. **We** may terminate **your** policy and **we** may seek to recover from **you** any costs that **we** have incurred.

If **you** are providing information about another person, **you** should ensure that **you** have their consent to do so.

If **you** submit a claim that is false, **we** will terminate **your** policy and **your** benefits as a policyholder will end immediately. **We** will not refund premiums paid for the **plan** and always take legal action for fraudulent claims.
