**Don't forget to read the full Terms and Conditions at the back of this guide.**

A century on and we still have the same beliefs, vision and values we've always had – to support you throughout your working life and beyond with innovative, best in class health cover. And we've got some good news. You can start to enjoy the benefits of your cover straight away (with the exception of Maternity/Paternity/Adoption if this benefit has been chosen for you).

# Introducing your cover

Congratulations. Like thousands of others, you're about to discover why so many of our customers are happy with their cover.

## Taking better care of you

No one knows what's around the corner where our health is concerned. With your cover, you can be sure that we will work harder on your behalf to help you pay for those essential health bills.

## Money back and cash payouts

We aim to ensure that as many of your health costs are covered as possible. From dental appointments to optical check ups, therapy treatments and more, you can rest assured that the cover chosen for you will help with your bills.

Remember your employer has chosen your benefits and services from the full list available. Check your welcome letter or email and policy schedule to see what you're covered for.

You can claim back 100% of the money you spend straight away, up to the maximum allowance provided by your cover.

## Enjoy even more cover

Your employer or your partner's employer may have chosen to provide an option for you to purchase additional cover. Your welcome letter or email tells you if this option is available to you.

If so, for just a little extra, you can choose to upgrade your corporate paid cover and/or arrange separate cover for one additional adult. Details of premiums, benefits and how to apply for additional cover are detailed in your welcome letter or email (if this option has been chosen for you).

# Your cover: a few useful pointers

Here's some useful guidance to help you make the most of your cover. Please feel free to contact us if there's anything else you need to know.

## Making the most of your benefit periods

Your money back benefits have a one year benefit period, which starts on your company's anniversary date.

You can keep sending in claims for a benefit until you reach the maximum allowance for that benefit.

Your maximum benefit allowances will renew on your company's renewal date every year, but remember, any unused balance will not be carried forward from one year to the next.

## You have 26 weeks to make a claim

Please submit your claim within 26 weeks. Those 26 weeks start from the date you make each payment for treatment, goods or services.

If they're included in your cover, the 26 weeks start from the date you were discharged as an in-patient, or the date you attended for day surgery. In the case of the Maternity/Paternity/Adoption benefit, it is 26 weeks from the date of birth or adoption placement.

## Make sure you use a qualified practitioner

One simple rule. Your practitioner must be registered with, or a member of an approved professional organisation. Just click on the 'Find an approved practitioner' link on the **My Westfield** area of our website or refer to the Definitions section of this guide to locate the required qualifications for each practitioner.

**Full details on how to claim and benefit periods can be found in the Terms and Conditions at the back of this guide.**

## When submitting your claim, make sure your receipt has all the right details.

Include your name, full practitioner details, date and payment amounts, details of treatment, goods or services and a list of any sundry items purchased.

# Your cover: a few useful pointers

Here's some useful guidance to help you make the most of your cover. Please feel free to contact us if there's anything else you need to know.

## Did you know you're covered for emergencies worldwide?

You can even use some of your cover for emergencies when abroad. For example, if your plan includes optical benefit and you damage your glasses whilst overseas, you can still claim towards the optician's costs, up to the limits of your plan.

We ask that all relevant documentation relating to your claim is in English.

## Get your claims paid directly into your bank account

Direct Credit is the easiest and fastest way to reclaim your payments. We recommend that you register for a My Westfield account at [westfieldhealth.com](http://westfieldhealth.com) where you can add your bank details. Alternatively, you can contact us on 0114 250 2000 to set this up.

## Change of circumstances?

If your circumstances change and you are no longer eligible for cover under this plan, don't worry – your cover with Westfield Health can continue on an alternative plan.

Simply call our Customer Care Team today: **0114 250 2000**

## Monitoring and confidentiality

To keep improving our service, we record and monitor all calls. This includes recording and monitoring information relating to health and medical conditions.

#### How do I ask for a scan?

Our scanning service is not a cash benefit; **you** must follow these simple steps so that the scanning team can arrange **your** scan.

#### Step 1

Alliance can only accept a referral from a consultant therefore, **you'll** need to see a consultant so that they can decide whether **you** need a scan.

Alliance Medical can only arrange the scan once they have all the necessary details from the referring consultant.

**Your** consultant can send the scanning team a referral letter.

To avoid any delays the letter must include all of these:

- The consultant's General Medical Council registration number
- The consultant's full address so that Alliance Medical can send them **your** scan images and report
- Your name, address and date of birth
- **Your** Westfield Health account number
- All **your** relevant clinical history
- Full details of the scan that **you** need
- Details of where the consultant would like the images and report to be sent via IEP (Image Exchange Portal).

If **your** consultant would prefer to have a form to complete Alliance Medical will be happy to send **you** one. A copy is on **your** My Westfield account. The consultant must sign the form or referral letter.

#### Step 2

Contact the Scanning Helpline, once you have the consultant's referral on 0345 345 4556 8.30am-5.30pm, Monday to Friday except public holidays. **You'll** need **your** Westfield Health policy number. The scanning team will explain how the scanning service works.

#### Step 3

**Your** consultant's referral must be sent to Alliance Medical by email [nawestfield@alliance.co.uk](mailto:nawestfield@alliance.co.uk) (to ensure that a valid practitioner has made the request, referrals by email must be sent from the consultant's business email address)

#### Step 4

When the scanning team receive the request form (or referral letter) from your consultant they check it to make sure that they've all the information they need to book an appointment for **you** at one of their scanning sites. Sometimes they need to contact **you** or **your** consultant for more details.

Next, they'll give **you** a call and ask **you** some questions to make sure it's safe for **you** to have the scan. They'll also discuss the location and date of **your** appointment. **You'll** usually be able to have **your** scan within two weeks of Alliance Medical receiving a complete and valid referral from **your** consultant.

The scanning site will contact **you** to book **your** scan in. Once the scan has been arranged, they will send **you** confirmation of the date, directions to the location and a full safety questionnaire for **you** to complete and take with **you** on the day of **your** appointment. **You'll** attend the site for the scan.

#### Your scan images and report.

- The images from **your** MRI or CT scan will be reviewed by a radiologist appointed by Alliance Medical. PET scans are reviewed by a nuclear medicine consultant.
- The report and images are sent directly to referring consultant via image exchange portal (IEP). This is usually within 10 working days of **your** scan appointment.
- Before **you** make any follow up appointment with **your** consultant, please check that they've received the report. Let the scanning team know if **you**, or your consultant, need any further help

We understand that it's likely to be a difficult time if you've had an accident. You, or someone acting on your behalf, should contact the Westfield Health Customer Care Team within 60 days or as soon as reasonably possible after the accident. We'll send out a personal accident claim form for you to fill in and return to us. We'll then contact you to explain what happens

next. If there's any delay in you notifying a claim to us it could be detrimental to us investigating and assessing the claim: this may impact the claim being paid at all, or the amount of the claim that's paid.

Sometimes it may be necessary to wait up to 24 months to establish the full extent of your injury and whether a **permanent total disablement** or **permanent disability** claim is payable. We cannot carry out a medical assessment while you are still having treatment for that injury

## General Terms and Conditions

Where words or phrases appear in **bold type**, they have the special meaning for the purposes of the **plan** as detailed in the Definitions section.

If there is anything about these general terms and conditions that you don't understand please contact our Customer Care Team on 0114 250 2000 and we will be happy to help.

### 1. Who can have cover

This **plan** is not available to purchase directly from Westfield Health, it is primarily available on a corporate paid basis. Eligible employees will be provided with Level 1 cover, the cost of which is met by **your** employer.

The employer has chosen this **plan** from the range of products offered by Westfield Health. If the employer

decides to change the cover available to **you** we will notify **you** as soon as reasonably practicable. **Your** cover will cease if the agreement between the employer and Westfield Health comes to an end. If the employer decides not to renew the Westfield Mosaic Health Cash Plan **we** will try to offer all policyholders an alternative Westfield Health plan, however this may not be on the same terms as **your** current cover.

**We**, like any responsible insurer, and to the extent permitted by all applicable laws, reserve the right to decline an application for a policy or a request to upgrade your cover. If **your** application is not accepted **we** will refund any premium that **you** have paid for the cover that **we** have declined to offer (providing that **we** have not paid a claim under that cover).

**You** must reside in the **United Kingdom** for a minimum of six months each year to be a Westfield Mosaic Health Cash Plan **policyholder**.

**We** do not accept professional sports people for cover on the plan.

#### Corporate Paid Cover

There is no restriction regarding the

age of an eligible employee taking out the cover provided by their employer.

**Your** employer will choose the benefits that they will provide for **you**, from the full range available. Certain benefits will also be provided for **your dependent children**. Where cover is included for **your dependent children** the benefit allowance shown on **your Policy Schedule** is the maximum amount available. The **Policy Schedule** will state if the benefit allowance is to be shared between all **your dependent children** or if the amount is per **dependent child**. We will send **you** a **Policy Schedule** that includes details of the benefits and services that apply to **your** cover.

**You** should check **your Policy Schedule** to confirm that cover is available before receiving treatment or paying for goods or services for which **you** intend to claim.

**You** do not need a medical to be accepted as a **policyholder**. **We** will cover **you** and, where cover is provided for them, any **dependent children** on your policy for **pre-existing medical conditions**, subject to the terms and conditions and benefit rules of the **plan**.

For Personal Accident cover **we** will

take into account any disability or condition that **you** already had when **we** assess the amount of disablement benefit **we** will pay as a result of a subsequent **accident**.

### Employee Upgrade Options and Additional Adult Cover

The employer decides whether employee upgrades/**additional adult** cover will be available, and they also choose the benefits and (where applicable) the monetary benefit allowances that their scheme will offer. Details of the benefits and premium will be included in the employee's Welcome Pack. This includes confirmation how payments can be made, which method the employer has chosen. If, at their annual renewal, the employer decides to change the cover that is available for **you** to purchase **we** will notify **you** as soon as reasonably practicable. Any changes to benefits and/or premiums will only take effect once **we** have notified **you**.

Employees who are eligible for an upgrade option can pay an additional premium to upgrade **your** corporate paid **plan** level.

An **additional adult** who is eligible for cover can apply for a policy on any of the levels of cover offered. An **additional adult** choosing to have cover will hold a separate policy. There can only be one **additional adult** policy for each corporate paid policy.

The opportunity to upgrade **your** cover, or for an **additional adult** to apply, is only in the month after the **plan** anniversary date. The **plan** anniversary date is the date the **benefit period** starts each year, this is detailed in **your Policy Schedule**. If **your** plan is operating on a flexible benefit platform these same restrictions apply in your qualifying lifestyle events.

An employee's **additional adult** cannot hold a policy on this plan if the employee is not currently in receipt of corporate paid cover: it is a condition of **your additional adult** cover that **you** notify **us** immediately if for any reason **you** are no longer eligible. Please also refer to section 4, Premiums – Change of employer or retirement.

**You** must satisfy **yourself** that this **plan** and the level of cover that **you** decide to apply for are right for **you**. **We** will not provide any advice in this regard but **you** are of course free to seek information or advice from a

professional advisor.

The application form is located on My Westfield. Follow the instructions stated on the application form. This is in the My Westfield mobile app (available on Apple App Store for iOS and Google Play Store for Android), or online at [www.westfieldhealth.com/my-Westfield](http://www.westfieldhealth.com/my-Westfield). Use the application form for the method of payment applicable to your account, this is stated in the employee's Welcome Pack.

**You** must be aged 16 to 65 when **you** apply for an employee upgrade option or apply to transfer to a higher **plan** level. **You** must be aged 18 to 65 when **you** apply for an **additional adult** cover policy or apply to transfer to a higher **plan** level.

However, **you** are not required to give up an existing policy once **you** become 66 and can transfer to a lower **plan** level at any age.

Pre-existing medical conditions will be covered.

- if **you** are receiving corporate paid cover
- if **you** upgrade **your plan** level
- if **you** are an **additional adult** policyholder
- including any **dependent children** covered on **your** policy

The exception to this is for Personal Accident please refer to Corporate Paid Cover and the Personal Accident benefit rule and Dental Accident, see Dental Accident benefit rule.

## 2. The contract between Westfield Health and You

### Cooling Off Period – If you change your mind

If **you** apply for an upgrade option or **additional adult** cover **your** policy contains a 14-day cooling off period from the date **we** accept **your** application. If **you** decide to change **your** mind during this cooling off period the **policyholder** should contact **us**. Providing that **you** have not made, or intend to make a claim, **we** will refund the full premium paid by **you**.

### Corporate Paid Cover

For eligible employees cover will only continue to be provided, at the corporate paid level, on condition that **your** employer continues to pay the premiums for **your** cover to Westfield Health.

### Employee Upgrade Options and Additional Adult Cover – by all methods

Employee upgrade options and

**additional adult** cover policies are only available at the discretion of the employer; cover may change or be withdrawn at the employer's annual renewal.

For employees who have chosen an upgrade option and **additional adults** who take out cover on the **plan**, **your** health cash **plan** policy operates on the basis that each calendar month a new contract is formed between Westfield Health and **you**. **We** do not issue monthly reminder notices. The cover that **you** are paying for **yourself** will be automatically renewed each month providing **you** pay **your** premium and abide by the terms and conditions of the **plan**, unless **we** receive notice from **you** that **you** do not wish to continue **your** cover, or **we** give **you** notice that **we** are not willing to accept **your** monthly renewal.

### Your Cancellation Rights – Employee Upgrade Options and Additional Adult Cover

Employees have the right to cancel an upgrade option and **additional adults** with cover have the right to cancel their policy.

If **we** receive notice that **you** wish to cancel before the 15th day in any month **we** will cancel **your** monthly contract for that month and refund the premium paid by **you** for that month. If **we** receive notice of cancellation on or after the 15th day of the month, then **we** will not refund **your** premium for that month but any further premiums will not be payable. Any premium that **you** have paid, in advance or that is not due following cancellation, will be refunded to **you**. **We** will not pay a claim for any benefit beyond the date that **you** have paid up to.

To cancel **your** policy please contact our Customer Care Team on 0114 250 2000, email us [enquiries@](mailto:enquiries@)

westfieldhealth.com or write to us at Westfield Health, PO Box 340, Sheffield S98 1XB. If your policy is through a flexible benefit platform the cancellation will be through the flex platform and it will follow the rules of that platform.

It is your responsibility to inform your employer, bank or building society to stop deducting premium payments from your salary, pension or bank/building society account.

#### Re-applying for cover after you have cancelled

Previous claims may be taken into account when we assess your entitlement to benefit on your new policy.

#### Terminating your cover – All Policyholders

We reserve the right to cancel your cover at any time, (with retrospective effect where appropriate), if:

- Under the terms and conditions of the plan you are not eligible for cover
- You provided false information and/or failed to disclose all the relevant required information when you applied for cover, applied to increase your plan level, or submitted a claim
- You, or anyone covered on your policy, fails to comply with our request for information relating to a claim or an application for cover
- You submit a claim that is fraudulent or that we reasonably believe to be intentionally false, and/or misleading, and/or exaggerated
- You (or anyone covered on your policy) act in a threatening or abusive manner, e.g. violent behaviour; verbal abuse; sexual or racial harassment, towards a member of our organisation, or one of our suppliers
- You fail to abide by any of the terms and conditions of this plan

Should we cancel your cover you will not have any right to make any further claim on the plan. In addition, we may

also seek to recover any monies from you that have been paid to you that you were not due to under the Terms and Conditions of this plan.

If premiums for your cover have been paid in advance we may refund premiums paid beyond the date for which you have had the benefit of cover. However, we retain the right to withhold such premiums if you owe us money.

We will notify you in writing our reason for cancelling your cover and you have the right to appeal to us through our published Complaints Procedure, which is available on request and on the Westfield Health website <https://www.westfieldhealth.com/about-us/trust>.

If your policy is terminated we will not accept you for cover with us again on any plan.

### 3. Premiums

#### Corporate Paid Cover

Your cover will continue on condition that the premium due each month is paid and you abide by the terms and conditions of the plan.

You will not be entitled to use any of the services included in the plan and we will not pay your claim if premiums have not been paid to cover the date(s) for which you are claiming.

If when we receive your claim your employer has not paid the premiums for your cover for any reason, we will not process your claim at that time. If you remain in the plan, claims will be held until a payment is made to cover the dates for which you are claiming.

If you leave your employment, or lose entitlement to corporate paid cover, we will not pay you any benefit, and you will not be entitled to use any of the services included in the plan, beyond the date that your premiums are paid up to.

#### Employee Upgrade Options and Additional Adult Cover

Your employer decides if these options are available. Your employer also decides whether these premiums are payable by monthly Direct Debit to Westfield Health or whether premiums will be collected by payroll deduction from the employee's wages/salary and whether the selection is through a flexible benefit platform. If Employee Upgrade Options and Additional Adult Cover are available this will be confirmed in your welcome pack and the method – direct debit, payroll or

flexible benefit platform. You will not be entitled to use any of the services included in the plan and we will not pay your claim if premiums have not been paid to cover the date(s) for which you are claiming. If when we receive your claim the premiums are not paid up to date for any reason, we will not process your claim at that time.

#### Direct Debit

When you take out a policy, or upgrade your cover, we will notify you when your first payment will be collected. To bring your premiums up to date, it may be necessary to take payment for 2 or more months' premiums at the first collection. We will not process any claims until we have received a payment that covers the date for which you are claiming.

#### Payroll deduction

We implement stringent credit control procedures for employers operating payroll deduction facilities, however it ultimately remains your responsibility to ensure that premiums for your employee upgrade option or additional adult cover policy are remitted to us.

#### Flexible benefit platform

We operate stringent credit control procedures; however, it ultimately remains the responsibility of the eligible employee's employer to ensure that premiums are remitted to us.

For more information please refer to section 7, How to Claim.

Your employee upgrade option or additional adult cover policy will lapse if you do not keep your premiums up to date. Employees' upgraded level of cover will cease and your cover will revert to the corporate paid level when your upgrade premiums are more than three months in arrears. Additional adults with a policy will cease to be policyholders when their premiums are more than three months in arrears.

If when we receive your claim the premiums that you pay yourself are not paid up to date for any reason, we will not process your claim at that time. If you remain in the plan, claims will be held until a payment is made to cover the date(s) for which you are claiming.

If you do not continue to pay your premiums for an upgrade option benefits will cease at the higher plan level, on the date that you have paid up to.

All benefit will cease on the date **you** are paid up to, if **your** premiums for cover as an **additional adult** of an eligible employee are not paid.

If the employer's payment is in arrears and they fail to bring their corporate paid premiums up to date, **your** employee upgrade option or **additional adult** cover policy will cease: we will notify **you** of the date that **your** policy ends.

Premiums include Insurance Premium Tax at the current rate and are subject to review in respect of any changes in taxation.

#### Change of employer or retirement

An employee's **additional adult** cannot hold a policy on this **plan** if the employee is not currently in receipt of corporate paid cover: it is a condition of **your additional adult** cover that **you** notify **us** immediately if for any reason **you** are no longer eligible.

When an employee retires or leaves their employment they should ask their employer to notify Westfield Health and each **policyholder** should contact **us** immediately.

**Policyholders** who wish to continue to have cover with us must transfer to an alternative plan and **our** Customer Care Team will be happy to arrange this for **you**.

### 4. Qualifying Period and Benefit Availability

**You** don't have to complete a qualifying period before **you** and **your dependent children** can use the plan. All benefits are available from **your** date of **registration** at that **plan** level, except for Maternity/Paternity/Adoption benefit.

The qualifying period for Maternity/Paternity/Adoption benefit is 10 months; premiums for **your** cover must be paid for 10 consecutive months from **your** date of **registration** at that **plan** level.

#### Changes to your level of cover

If **your** level of cover is reduced during a **benefit period**, we will pay benefits at the lower **plan** level from the **registration** date of the transfer, if **you** have benefit available. Benefits paid at the higher **plan** level will be taken into account when assessing **your** entitlement to benefit at the lower level.

#### Former Policyholders

In addition to the above, if **you** were previously covered on the **plan** and **your** policy lapsed or was cancelled,

we may take into account claims paid under **your** previous cover when assessing entitlement to benefit on **your** new policy. This will depend upon:

- the **plan** level for **your** new policy
- the level of the plan **you** were previously covered on
- the date **your** new policy commences
- the start date of the benefit period

Our Customer Care Team can explain the benefit entitlement that will apply to **you**, following a lapse in **your** cover.

## Schedule

If **your** cover commences during a **benefit period** you can claim up to the full benefit allowances during the remainder of the **benefit period**

The receipt must detail the date(s) **you** received the treatment, goods or service and **we** must receive **your** claim within 26 weeks of the payment date – see below

\*The only exception to this is when **you** provide **us** with written evidence that you have entered into a payment arrangement/credit agreement for treatment, goods or services that **you** have received. The date that **you** pay the first instalment determines the **benefit period** that **your** claim falls into and **we** will pay **you** up to the benefit balance available on that date ONLY towards the full cost of the treatment, goods or service purchased by the credit agreement.

If **you** can claim part or all of **your** costs under another Westfield Health plan, or from any other source, **you** are not entitled to receive more than the total amount that **you** have paid. If **you** are claiming from another insurer **we** will pay **our** proportionate share of the cost, subject to benefit being available and the terms and conditions of **your** plan.

**You** should only submit a claim if the person who has received the treatment, goods or service is eligible to claim under that specific benefit. If the claim is for **your dependent child** **we** may require proof of **your** relationship with them. It is **your** responsibility to provide complete and accurate information with the claim. When **you** submit a claim, for audit purposes **we** will carry out checks on the information **you** and practitioners provide to **us** and **we** will not process that claim, or any further claims on **your** policy, until **we** have successfully completed our audit checks. If **we** make a reasonable request for additional information, this must be provided at **your** own expense.

In order for **us** to verify a claim it may be necessary for **us** to request a medical report from **your** GP,

**Consultant Physician or Consultant Surgeon** at any time. **We** will only request a report when it is reasonably necessary in accordance with the Access to Medical Reports Act 1988 and Personal Files and Medical Reports (Northern Ireland) Order 1991, if a medical report is required **we** will write to **you** first to tell **you** why. If **you**, or where applicable **your** dependent child, do not give **us** **your** consent **we** will withhold payment of all claims and may terminate **your** policy.

If **we** discover that **we** have paid any claims relating to a **pre-existing medical condition** **we** will seek to recover any monies from **you** that have been paid to **you** that **you** were not due to under the terms and conditions of the **plan**. **We** may terminate **your** policy and **we** may seek to recover from **you** any costs that **we** have incurred.

If **you** are providing information about another person, **you** should ensure that **you** have their consent to do so.

#### How we pay you

**We** will pay **your** claims directly into **your** bank/building society account. **You** can confirm payment online using My Westfield or by using the My Westfield mobile app. If **we** hold **your** email address, **we**'ll also send confirmation straight to **your** inbox.

shall be deemed a final and complete discharge of all liability in respect of such benefit.

## 8. Worldwide cover

If, as a result of an emergency, a claim arises when **you** are temporarily travelling away from home anywhere in the World, on business or for pleasure, **you** can still make a claim. **You** (and if the claim relates to them **your dependent child**) must be resident in the **UK** for a minimum of 6 months each year to be eligible for cover on this **plan**.
